MINISTRIES

2023 Year End Appeal

In 2023 the world is more connected than at any time in history and yet, there exists an absence of meaning producing wide spread and undeniable loneliness. This ironic disconnectedness can only be addressed by The Gospel as "In Him all things holds together" (Col. 1:17).

The renovation of 130 Shelley Drive is now complete and B3 Ministries is poised for years of meaningful work, situated in a space of hospitality where families can be reached with the love, beauty and the healing power of God.

Through our 15 years in ministry the relationship between hospitality and truth-telling has never been clearer. Stewarding an environment for the people God loves (all people!) is indeed missionary work where unconditional acceptance and hospitality can become the kindness of God that leads to repentance.

B3's "kingdom bringing" disposition in East Texas now includes an ecumenical gathering place and stewarding this gift well requires the continued development of a support team committed to the good work of B3 Ministries.

There is so much already happening at The Listening Lounge: men's groups, non-fee-based couples counseling, discipleship, music therapy and performances that drive strangers together in community to behold the beauty of God in the faces of those who give their lives away in the performing arts.

We are seeing transformation and hope in the lives of those who lean close to find that the work of B3 Ministries is not actually all about musical theatre or rock n' roll, but really about the announcement of God's love for His creation and the fruit that grows from the acceptance of The Gospel.

As we walk forward in faith into 2024, please join us in PRAYER for:

- Continued wisdom and courage for both **couples counseling and the beginning of another Marriage Builders group**. For couples in crisis, premarital counseling or for those who seek fortification and encouragement in their marriages, please pray that hearts would be open to healing and restoration.
- **The Listening Lounge** now serves as a venue East Texas has always needed. A place for artists, theologians, comedians, musicians and ticket holders to grow through meaningful gatherings and mentoring relationships in an environment committed to the flourishing of every individual who draws close.
- **Magill Musical Theater Studio's** continued mentoring of young artists through the heart-work/artwork of weekly classes, priceless friendships, scholarshipped students and meaningful productions. The production of MMTS's new original musical premieres May 16th-19th at Liberty Hall in Downtown Tyler.
- **Increased Support.** Our operational expenses have raised by 15% for 2024 and we request your prayerful consideration of partnership with B3 Ministries' counter-cultural work in Tyler's increasingly diverse community. **Please consider a 15% increase in giving going forward.**

We praise God for 2023 and we look forward to His unfolding plans and continued provision in 2024. All of this growth in opportunity comes with increased financial needs. Together with our board of directors we thank you for your continued prayerful support of B3.

We are **Blessed Beyond Belief** by our partnership with YOU! Christ's Grace and Peace to you in 2024!
